WORLD BROTHERHOOD

World Brotherhood, as sponsored by THE BRIDGE and all its subsidiary publications, does not constitute the leveling of all men to the sub-standards of the lowest strata of human kind, but rather the conscious raising, through education and competent guidance, of the entire race—through the individual—to the highest standards of moral, ethical, economical and spiritual maturity.

LEARN TO LOVE BELOVED SERAPIS BEY

Letter to the Flame Class of April 15th, 1961

Serapis Bey

Beloved of My Heart:

I love you! All of Heaven loves you. We are so extremely grateful to you, each earnest and sincere chela, for desiring the Ascension for yourselves, your loved ones, every living thing and the dear Earth Herself.

We open wide the Doors at Luxor, where you may witness the actual crystalline Ascension Flame, carried-with no small endeavor upon our parts-from Poseidonis to Luxor. Into this Ascension Flame has carefully been gathered and guarded every prayer, aspiration and hope of the evolutions of Earth—all Ascending and creating constantly a wider "open door" through which you, too, will one day, in dignity ascend.

I have provided for your specific instruction at Luxor, and in your personal orbits at home or wheresoever you are, Gentlemen Sponsors, trained at Luxor, and Who have the buoyancy and happiness known only at the time of the Ascension. Meet Me there!

Learn to love Beloved Serapis as All of the Divine Beings do. Look upon the Ascension Flame and know your own prayers, hopes and aspirations are there as well as the joy of Those Who have achieved Their Victory in Its upreaching, surging tide of Light Eternal, toward HOME, The Father's Home, wherein you shall have full freedom to act in a Way of Service predominantly that of your own free will choice...

Love and blessings,

Maha Chohan

BLASTING CAUSED THE SINKING OF LEMURIA

An Address by beloved Ascended Master Serapis Bey

FRIENDS of this planet Earth! Friends of great Light! Not so long ago you chose individually to apply to the Karmic Board for the opportunity to take embodiment and to seize the opportunity that earth-life would give you in order to weave for yourselves the immortal robe and the purified soul which would require no further contact with the Earth, and which would give to you the glory of the freedom from the wheel of reembodiment.

At that time I was responsible for sponsoring your lifestreams. Having carefully looked upon the momentums of light in your Causal Bodies; having considered your potential strength and weaknesses; having looked upon the pattern of Earth-life into which your lifestream would be woven should you embody; I stood Sponsor for you individually and collecively, with a sincere, deep heart call and prayer that **when opportunity disguised in the folds of maya** in the world of form should present to you, either through spoken word or written word, through chance meeting or prepared meeting, the way and means by which you could sublimate the energies belonging to your own lifestreams, and sublimate that portion of the planet's energies that you volunteered to set free, that you might accept and with dignity, dexterity and enthusiasm become a co-worker with the Spiritual Hierarchy while yet unascended. This you have done!

Cooperate with joy, not as a duty

Beloved ones, people think lightly of that which they cannot see. Yet that which you cannot see in the physical appearance world forms over ninety-four percent of the pressures of both good and evil. Those of you who can joyously become part of that cleansing and purifying activity, those of you who can lend your energies willingly to it are blessed indeed!

Happy energy is beautiful! In happy energy you can accomplish in a much shorter time that which is done with great tension and too great a sanctimonious consciousness because that closes off the natural flow of life, and that which should be done as a **joy,** when done as a **duty,** is **poorly done** at best!

We are going to discuss the activities of **INVOCATION.** To do this I must take you back to the continent of Lemuria in order that you may understand and watch in your teaching of others, to keep individuals upon the **constructive path** in their application and in the instruction which will later reach the masses.

From the first creation of individualized consciousness, vibration increased. Now think of it. The Great God-head, the Angels, the Seraphic Host, the Cherubim, all Powers of Light that have a thinking and feeling center, were contributing vibration into the universe. Each individualized "I AM" Presence, when it was given a thinking and feeling center and first realized "I AM", increased the vibratory action of that great Kingdom. That was in Harmony. I might explain it thus: A man playing on the piano gives forth a certain vibration. You join a group together and have a symphony. You increase that vibration but it is still in perfect Harmony. In the creation of the Individualized Presence, of which each of you is an externalization, the vibration of the inner realms was increased. The responsibility for the **quality** of vibration rested within that Individualization, just as the quality, harmony and beauty of the musical score rests within the individual who belongs to and is part of the symphony. That should be simple to see.

The passing through the Seven Spheres

With individualization was given energy; with energy came the thought and feeling centers, and vibrations immediately began to flow out from that Presence. Free Will allowed each individualization to use that energy according to its own design to add to the music of the spheres.

Thus embodiment took place for some time - a voluntary thing again. We have described that in detail so I shall not repeat. As the individual Presences passed through the Seven Spheres, many, many chose to remain within each one of them, being attracted to the Light of Lord Michael, to the lovely Illumination of Jophiel, to the Love of Chamuel, to the Strength and Purity of Gabriel, to the Consecrated Benediction of Raphael, to the Ministration of Uriel, to the Invocative Powers of Zadkiel. They never took form in the physical appearance world. They work through the Seven Spheres and form part of the Host of Heaven of which orthodox channels sing at the Holy season, and they never tasted of light **and** shadow.

Some decided within themselves to take embodiment upon this Earth. That has also been described to you and I shall not go into it except to the main points of the story to give you the understanding of the powers of **application** which I want to impress in your hearts and which you in turn as the Shepherds of the race can impress into the hearts of others.

The first Golden Ages

The First Golden Ages were referred to as the Garden of Eden and no lifestream used energy to create a discordand vibration, and the Earth was as harmonious as Heaven. Each one was part of the great symphony and each one was in complete obedience in the rhythmic radiation from his own Holy Christ Self and Presence; each one's inner bodies in perfect harmony. The fragrance of each one's own Light was the natural aura and mantle of light around the form, the powers of precipitation giving the substance, the clothing, the food, **everything** that was required because there was no vibration of inharmony. There was no static in the atmosphere and the Angelic Host, the Ascended Masters, the Cherubim, the Seraphim the Devas walked with mankind. There was not the haze which is caused when vibration is set into motion in discord and dissonance.

The first two Ages completed their fourteen thousand years

on Earth never knew discord at all. In the great crisis when the Earth Council and the Beings upon It decided among Themselves that the people of Earth and the Guardian Spirits were strong enough to help to sublimate the dissonances and discord of certain planetary orphans, We come to the time when the vibratory action of the Earth changed.

Who were the laggards?

You have some little idea of the powers of contagion in those souls you have spoken loosely of as laggards who came from other systems. **What were they?** They were **CONSCIOUSNESS,** just like yourselves, consciousness with the capacity to think and to feel; consciousness who had not maintained a vibratory action of perfect harmony, beauty, purity and perfection, and therefore could not, or would not, accelerate the vibratory action of their inner vehicles to move forward with the planets to which they belonged.

It took a great deal of time and a great deal of thought before the Guardians of the planet Earth offered this gift of mercy. The priests and priestesses of Lemuria were gathered together after the Cosmic Law made the decision and for many, many years before the Lords of Karma would allow the first lifestreams through the gates of birth, the priests and priestesses within the Temple, schooled in the powers of Invocation and radiation under the mighty Zadkiel made the call for the purification of the soul light of these lifestreams and for the amplification of the pressure of Light from within the embodied mankind and the Earth people so that they could withstand the subtle suggestions of every kind.

The priesthood of Lemuria

The priest life on Lemuria was a magnificent activity. These individuals, most of you among them, had learned how through the powers of magnetization to draw every blessing from the Sun and from every God Virtue to form a radiant Sun through their Temples and send that out into the atmosphere, qualified with

whatever the priesthood itself had consecrated themselves to externalize. This priesthood, radiating and externalizing these pressures of light increased the harmony, beauty and perfection of the Earth and made the atmosphere even more luminous, and the spiritual selves of men were more nourished by the reason of these foci. They were what you would call master of this "darsham", which is merely in Western parlance the capacity of the soul to rise into contact with the Presence, draw the light from the Causal Body consciously back through the emotional, mental, etheric and physical bodies and keep a **positive radiation of some constructive quality,** and master of all energy that is contacted by the individual. An individual who is the master of this activity of darsham is never subject to the vibratory actions of distress.

The veil of maya

These priests and priestesses, belonging to the House of Zadkiel, rendered this service and the Earth was progressing very, very rapidly. The root races and the subraces completed their courses quickly in this outpouring of magnetized Light. When the souls, who had within themselves the germ of disintegration, the capacity through thought and feeling to create a discord, when they took embodiment and reached enough maturity to control the consciousness, they began to let that out in thought and feeling, and it filled the invisible atmosphere. Some among mankind who had come into a false sense of security through the radiation of the priests and priestesses, began to rely upon them and they began to absorb through contagion some of the thought forms and feelings, and playing in secret with them, they too began to create them. Eventually as a result of that, there was externalized much of distress, and the veil of maya began to cloud the light and the Great Ones were no longer visible to the masses but only to the priests.

Here you have the **first great split in the priesthood** and it is the reason for which I am bringing this to your attention. At

the time when the priesthod began to realize that the masses were creating and sending forth those qualities of impurity and dissonance, there came a school of thought to the foreground that had agreed with reluctance to allowing the laggards from the other systems into our planetary scheme and who now felt justified in objecting to the pollution of the race by allowing them to remain.

Why it is wrong to blast

These beings were well schooled in the powers of Invocation and there you began those fiats and decrees that have come down to your present day. When they stood separated from the school that believed in sublimation and transmutation, and within the secret recesses of their own temples decided to BLAST THEM ALL FROM THE EARTH! What purpose would there be in blasting these lifestreams off the Earth into the discarnate realm where they would have to stand before the Karmic Board and as soon as possible be placed back on the Earth. **It was a rebellion against the decision of Cosmic Law.** If The Law and the Powers of Light felt that the priesthood and the illumined COULD sublimate and by radiation redeem those recalcitrant members, **if the priesthood had remained ONE,** the **sinking of Lemuria WOULD NOT HAVE TAKEN PLACE!** Think about this!

Beloved ones, it follows the same course - you take a wild animal, a hungry tiger and lock his retreat, and then you drive and drive and drive energy at him - what results? You are going to have a killer! **DRIVING AND BINDING DISCORD BACK INTO THE SOUL IS NEVER THE WAY TO GOD.** It is not the way of sublimation. That soul is sick in the first place, or otherwise it would not create the inharmony and discord, and that soul must be raised by constructive, purifying activities and redeemed. THAT IS THE LAW OF LIFE!

The Two factions of the Priesthood

With the breaking of the priesthood into the two factions, the masses followed one or the other and confusion ensued and the final release of the purifying powers of the water element became necessary. Those of you who participated on the side that thought you knew more than God, some of you have balanced that karma.

When you draw great power, when you come to handle **masses** of people who are hysterical, you will find in the etheric bodies of some the consciousness that it is better to remove the physycal form than to save a soul!

After Lemuria, then Atlantis and again the priesthood, the same individuals, for the priesthood has always been made up more or less of the few. On Atlantis, again there was great Light - I was there - great Light and great Beauty, great Perfection and hope for a permanent Golden Age through which every root race and sub-race yet to come, would quickly find their way back Home. And again the misuse of the Powers of Light, and again cataclysmic action. The Flame that I carried to Egypt, burning there as the Power of the Ascension, that very Flame brought Egypt to Her greatest height, and yet within Egypt, no more corrupt priesthood has ever been!

The true priesthood wears Robes of Love

Now in the Name of great Zadkiel, the Archangel; in the Name of the Ascension Flame; in the Name of Saint Germain, Lord and King of the New Era of Freedom, I **COMMAND** by the power of Light, that those who serve the cause of good; those who are the Gurdian Spirits of Light; those who are progressing in learning again the powers of Invocation may be CHARGED and CHARGED and CHARGED with a balance and wisdom of Love that they sublimate and transmute all that they see, and that never again does Zadkiel's Legions train a group of unascended beings and find them split by the result of misunderstandings and etheric records of the past. This shall not be!

UNITY, LOVE, WISDOM AND POWER going together with ONE PURPOSE - to ascend life - to ascend life - to ascend life - through sublimation and transmutation into its own God intent. **THIS IS THE TRUE PRIESTHOOD** established under Alpha and Omega and followed by every Avatar, Saint and Power through every system of worlds down on to this Earth! **Let me remind you to remember My words!** THE TRUE PRIESTHOOD WEARS ROBES OF LOVE! The TRUE PRIESTHOOD SUBLIMATES ERROR! THE TRUE PRIESTHOOD IN LOVE OF GOD, LOVES EVERY CHARGE PLACED IN ITS HANDS AND LOVES THAT GREAT LIGHT FREE!

USE YOUR EXPANSION BRIDGE!

Visualize a great gorge forming like the Grand Canyon— the human race standing on the far side of this gorge, their hands stretched out across it to the Realm of Happiness, Bliss and Freedom. On their side of the river witness privation, sickness and death—On our side all the ecstasy of Heaven. Then look with a discerning eye and you will see that while Our Hands are outstretched, across the impassable barrier and while they are seeking for human assistance to transport them they, each one, hold within their own heart an expansion bridge which he or she can throw across the gorge, and which will be caught by the Hands of the Masters to take them Home...

That Bridge is Love —on Love mankind went forth and crossed the Great Divide, and when they lost Love they lost the pathway Home.

Who, among you, will open their hearts and let that Great Bridge form within their own lifestreams, mind you, made up of their own life energy, surge forth and like a golden tunnel of Life provide for them the natural means of reunion with Divinity?

FOR THE SPIRITUAL EDIFICATION OF WORTHY CHELAS IN 1961

KUTHUMI
World Teacher

As you are invited to enter the Sacred Chambers wherein the Golden flame of Illumination rises high into the atmosphere, and are privileged to become the guests of the Gracious God and Goddess Meru, your first impression will be a feeling of gratitude for the invitation to this Holy Focus. You will then be enabled to distinguish the actual figures of The God and Goddess Meru and Other Illuminati Who have gathered together at this time to assist in enlightening the consciousness of earnest (unascended) beings.

A cosmic and awe inspiring ceremony is taking place for the benefaction of all mankind, the Earth and Her attendant evolutions.

Seated before the Illumination Flame are a specific group of Divine Beings Who have volunteered to teach the children of God during this propitious year (1961) under the auspices of the God and Goddess Meru. Each such an One comes forward, kneels before the Illumination Flame and then enters right into the Heart of the Flame until Their Beings are saturated with the Divine Wisdom of the Ages. They step forth from the Illumination Flame clothed in an aureole of Golden Light and kneel before Their Host and Hostess and receive a personal blessing from both The God and Goddess Meru for Their Service now begun. A strikingly beautiful being from this Group rises, a Lady of true dignity and exquisite beauty.

The entire Assembly also rises as the God Meru steps forward in recognition of the Lady Parses, Who achieved Her Ascension in the White Priesthood of Persia centuries ago. She is the Beloved Sister of the Ascended Master Saint Germain!

El Morya

BELOVED LADY PARSES SPEAKS:

As My Name denotes, My Activity is directly concerned with the analysis of abstruse terminology. It is My privilege to translate into simple form some of the Truths which have been distorted by man's concept. The following are the first of a series of questions which are uppermost in the hearts of mankind in their soul search for spiritual edification. I shall answer these questions in a concise manner.

I. **What is the purpose of man's journey upon the Planet Earth?** To bring into physical manifestation his portion of the Divine Blueprint given to him by The Father.

II. **Why do I say "The Father" using the Masculine Aspect of Deity?** Every Divine Being is basically Masculine and Feminine in nature, having the power of both fecundation and nourishment. This power is also latent in everyone not yet Ascended. The mass of mankind cognize only one facet of this expression and an understanding of this principle shall avoid much unnecessary degradation.

Man during his many embodiments upon the Earth is required to express either aspect but before his Ascension both aspects must be equaly developed. He can then magnetize, nourish and sustain his Divine Blueprint.

The Christian (Sixth) Dispensation, under the direction of Beloved Jesus emphasized the Fatherhood of God. The Seventh Dispensation, in which you are living, shall inculcate the Feminine Aspect of Deity (The Father-Mother God).

III. **Why is man required to embody more than once upon this Earth?** For the reason mentioned in Answer II. And the over-all picture, or Divine Blueprint of the Godhead is of such tremendous scope that the individualized lifestream requires rest between the various phases of his development and while sojourning in the inner realms he is shown what he should have accomplished in the time allotted to him in that particular span on Earth. There are Divine Teachers in these inner realms Who voluntarily assume the responsibility of training each individual, in order that in a succeeding embodiment he will progress after looking impersonally upon both his successes and failures. These Divine Teachers are assigned to each individual by The Great Karmic Board.

One of My Confreres will continue this subject in the next issue of THE BRIDGE - May 1961.

IT IS EASY TO RISE INTO THE "UPPER CHAMBER"

An Address by beloved MOTHER MARY

The Ashram **December 29, 1960**

Hail thou, the Anointed of The Lord, come into My Presence as I come into your Presence and bring to you that anointing from the Realms Above, which is a sustained grace in, through and around your blessed lifestreams and becomes a part of the Heart of Mary, alive forever within you! Will you join Me permanently in that Realm where the Angels live and where We serve unceasingly in His Name?

You have chosen your own Path

Beloved, from whatsoever Star you have come, you are here for a purpose and that purpose is of your own choosing, even as My Purpose ages ago was of My choosing. When the way seems difficult, temporarily, remember that even before you took embodiment you chose the path you walk and on that path, even as on My Own, obstacles can be transmuted into Light until you have Victory in expression. On the glory of free will, children, the glory of taking upon yourself a physical vehicle and utilizing it according to the purpose of God upon this Earth; the glory of feeling that anointment which comes from Above and abides in, through and around you constantly, as you are Heaven's friends and We are yours.

It has been throughout the entire Planet a beautiful Season in honor of the One, My Son, Beloved Jesus, and in the honor of all of you who are also My daughters and My sons. As more and more of that Cosmic Blessing seeps through the atoms, through your emotional, mental, etheric and physical worlds, It becomes a palpable living substance which lives in, through and

around you and It can and should be utilized by you, each one, in the direction of your attention to the blessing of life less fortunate.

You can be free from limitation

Thus you gain in grace, you gain in individual mastery, and in honor in the Heavenly Court and you express more fully here on this Earth that Immaculate Concept Which We have held for you since first you took a physical embodiment. Someone must hold That for you, hold It so powerfully, so lovingly and so constantly that no matter what the appearances may be there is an anchorage within your beating hearts which tells you Truth and enables you through the sheaths of the many selves to know that Truth as I did, as Jesus did, as Others before Us and after Us know, until you are eternally free from limitation of fear and dread of any type of human appearance.

Beloved ones, when the Angels come and walk and talk with men; when Lord Raphael desires to give the mighty power of healing which is His; when I desire, as I do, to again anoint your vehicles with the substance of Myself, accept that.

Physical and spiritual ablutions

In the East the anointing of the bodies even before the Ascension was part of the ceremonial for both the men and the women who represented the Temple Guards of God's Truth. In the West so many of these delicate and subtle activities of Spiritual significance have lost their meaning and must again be resuscitated as the flower is resuscitated in the Spring, until the ceremony of preparation, the ceremony of enjoyment, the ceremony of acceptance, the ceremony of benediction, are all united as a glorious unified activity for you, the anointed of The Lord.

Early it was, you know, that I first entered the Temple, bound by the promise of My Own Mother and Father, and early it was that I learned within the Temple the sanctity of the Holy of Holies. I never slept at night before I performed not only the

physical but those spiritual ablutions wherein if I should be called to render a service, I could say and truly, rising from My bed, "Behold the Handmaiden of The Lord".

So it is with you, you are now the consecrated servants of Our Lord; The Lord Who created Me and Who has created you to render service in this glorious Era of change and transformation, exhilaration of the Divinity in you into the glorious perfection which can be manifest through your blessed selves, as was manifest through that strong and powerful God Being, Whom I guarded, guided and loved well, during the short thirty-three years of His Earth-life and Whom I love even more since, and you too honor, Beloved Jesus.

Temple worship must come again

Blessed ones, Temple worship must come again. It comes with reverence. It comes with understanding hearts. It comes with a cognizance in the outer mind of what you are doing with the Light and free will entrusted to you by The Father Who made you, and by Those of Us Who love you more than We do the Realms of Perfection where Divine Beings dwell, remaining upon or at least on call from the children of Earth and where Everyone has freedom from distress, has Faith through answered prayer and is enabled to take upon himself that particular yoke of his own karmic creation and transmute it as valiantly as powerfully, and yet as humbly as did those who I had the privilege of associating with in Bethany, many of whom Beloved Jesus brought to that Focus when the Christian Dispensation was at Its inception.

Jesus taught the resurrection

Beloved ones, it is not the most easy thing to encompass in real heart's love peoples of every nation, creed, cult and race. For Jesus born without taint of karma of His Own there was no question as to the development of any part of life as long as it was in distress and He in His great consciousness knew it had to

be resurrected into perfection, from a wounded bird, a broken flower, to a broken man, woman or child. That was the lesson which He gave to life. That was the lesson which He gave to Me and endeavored to impart to His disciples and apostles, all seeking unfortunately personal acclamation instead of unification through understanding hearts.

I was grateful for those years in Bethany after Jesus had Ascended to be a part of that Unifying Presence taking all the different strata of consciousness and unifying it so that it made a tremendous Forcefield, radiating forth, which has carried the Christian Dispensation up to the present day. It is a great service to do that and to remain silent in the rendering of that service. It is a subtle test of consciousness when there is accomplishment, not to attempt to say or think or feel "I did it". Yet you know that it is the Power of Almighty God vested in you living through you, the Anointed of The Lord, which can and will render such service and assistance as you may require at a moment, if invoked.

Perfection through Invocation

When Jesus stood by Lazarus' tomb, if He had not invoked the Power of Life Eternal and the Great Being Serapis, and the Great Maha Chohan, Himself, as well of course as Almighty God before He spoke those words, that resuscitation would not have taken place. He remembered always to make that invocation silently or audibly when He was among friends, and then speak the word of authority and create perfection where imperfection existed. Yet almost two thousand years have passed since He walked this Earth, a Man among men, straight, strong and beautiful, refusing to cognize imperfection. Many who walked with Him then are still bound round and accept imperfection for themselves and their loved ones, and the Planet itself.

How to rise into the "Upper Chamber"

Rise you into the Upper Chambers of the highest consciousness which you know is possible for you to in safety dwell and sustain a perfect Image, not only for yourself but for those whose vibratory actions seem oppressive or depressive to you. Then you will learn to enjoy that vibration and to sustain it in a state of Listening Grace for those from Above Who desire at any moment through you, or Whom you may desire to invoke to bless life and set imprisoned life free from the vibratory action which is imperfect.

Beloved ones, it is so simple. It is just the readjusting of the atoms, the electrons which make up the atom, which create and sustain for uncountable ages if you desire, the physical and inner vehicles.

Man has lived 1,000 years

In many Golden Ages which have proceeded this, peoples have lived a thousand years or more. Why? Because the vibratory action of every electron and every cell and atom of their beings was held in harmony with their own Presence and with Those Divine Beings, the Messengers of Almighty God, and they chose in such activities to remain and crossed the planet Earth from place to place in service Divine, rendering the service of resuscitation through the power of Love and Light.

Now comes the Anointed of the Lord, I Who have taught the elementals; I Who have guarded the Son of Almighty God; I Who guard and guide you. COME FORTH from that shell, each one, of human creation into the Light of this Day. There is Light in the day... the Light and Love of Mary!

HOW TO CALL FORTH THE IMMACULATE CONCEPT IN OTHERS

An Easter Address delivered by beloved Ascended Master JESUS

Beloved ones, gathered together in honor of a Resurrection, one in which I participated through the help and kindly assistance of many Beings of Light, today I bring to you the feeling of My Own Resurrection charging it with all the infinite combined gathered momentum of every Being Who has so experienced a Resurrection from distress into Perfection again! Even as that experience of Mine has become well known to the peoples of the Earth through the efficacy of My followers even so may I make that call now to the Universal First Cause that created and sustained Me that there may be in, through and around each and every one of your lifestreams those beautiful friends, Ascended and embodied, to help you in the process of personal and individual, as well as planetary Resurrection at this time.

The Earth and its Evolutions are in the process of Resurrection

The planet Earth is quickening in Its orbit as It swings around in the beautiful symphony of the spheres, the vibratory action of the very Earth Itself and the water element and the air are quickened in action as We prepare the planet Earth for the forward movement which is to be forthcoming. Therefore, in like manner all evolutions that use the Earth as a platform for their physical being—human beings, animal and bird creations—are being quickened too in this process of the Resurrection and Life! It is a process that is not instantaneous in its activity but that does take place as from the very heart of Pelleur's Kingdom that tremendous acceleration flows upward and upward and upward and every cell and electron belonging to this universe to its very periphery is quickened by that pulsation from the heart of the Earth and then by the pulsation of the Ascended Master Realm which descends and anchors into the Christ Self of every human being.

The Christ is alive in you

That which I have done and which has seemed so miraculous to some, shall become a common occurrence as the Christ stands forth through every man, through every woman and through every incoming child, that Christ Nature which is dormant within the masses, stirred to life within My heart, brough to maturity to be an example to mankind, that Christ is alive in the world, in every beating heart. It is alive and responsive to My words and to My Presence. It is alive and responsive to the Cosmic Christ directed through My lifestream for a specific service and to this living Christ which is within every human being, unascended and every human being who has not come yet into embodiment but who has not attained the victory of the Ascension. To this living Christ within you do I speak:

"In the Name and by the Power of Jesus the Christ, come forth and manifest now! Be Thou the full and only power acting through the forms which You inhabit! Transmute the soul into the substance of LIGHT and allow Divinity the courtesy of expression here in the physical appearance world, or in the inner realms wherever You Abide!"

The reward of service and love is in seeing this planet emitting more light, seeing Its peoples resuscitated, their spiritual natures express through their flesh and everything in, through and around the Earth giving forth the music and harmony of the spheres until the planet Earth takes Her rightful place in Our planetary system as a magnificent jewel of light as She was designed by Helios and Vesta, and as She was in turn blessed by the Directors of the Forces of the Elements and All Who have served throughout the many ages to sustain Her.

We need your cooperation

Today, beloved ones, all over the Earth people are honoring the Resurrection Spirit. They are honoring that Spirit of the Christ as manifested through My Lifestream. Today I ask **you** to direct that **to** and **through them,** the realization that what I

have done EVERYONE of these blessed ones shall and will do, and they must make ready now in courtesy to their Lord to allow this externalization through them of their own Divinity. I ask you in the name of love and of light to CHARGE into the feelings of the people the realization that WITHIN THEIR OWN LIFE is that **same power** by which I did resurrect a physical form and finally ascended in the presence of several hundred people.

You can heal yourselves

Dearly beloved ones as We have sent forth the Resurrection Flame from the Resurrection Temple, as you contemplated it, as you have breathed It in and felt Its exhileration, **let this be a permanent part of your world** quickening you every time there is a tendency to return to habits of depression, exhaustion and depletion. Step right within the heart of that magnificent opalescent Flame, right within the heart of My Own Luminous Presence or that of beloved Mother Mary and FEEL THE CHANGE of the quality of the energy in your feelings, in your minds or any member of your physical body—any organ or cell that for some reason has gotten out of alignment—and thus you can do by **Grace** what is so much harder to do by effort of will! When **healing** comes through Grace, it is permanent and it is sustained. When it comes by the effort of the mental body alone—through **will**—as soon as that mental pressure is removed, unless the cause and core of distress has been dissolved, the condition appears again.

Accept now that there is a Power right within your beating heart, and that Power connects you with Myself, with My Mother, with your beloved Saint Germain, any one of the Ascended Host, the Angels or the Archangels with Whom you have an affinity and the very moment you turn your attention toward Them, silently or audibly, you are WITH THEM and THEY ARE WITH YOU.

We answer you immediately

The INSTANT Our Names are breathed, the instant Our Image is thought upon, the instant any activity which it is Our privilege to give IS INVOKED **there We are** rendering that service and assisting you. Come to that realization of ONENESS of the Celestial Realm with the human, the **oneness** of the Divine Beings with your own Christ Flame, and entering deep within that Inner Christ, feeling the fullness of Its magnificent Presence—you can have freedom, FREEDOM NOW—even as We are here to bathe you in the glory of the Kingdom, the Kingdom wherein dwell every Being Who has learned to govern His energy and to sustain harmony and not break the peace!

Beloved ones, **that power** is **My Power** to give; it is **your** power to draw forth from your own Christ the power to see, to think, to accept, to call forth the Immaculate Concept from within every lifestream that you contact and it will respond in an ever expanding radiation of perfection through such an one if you can keep your human mind and senses from recording and accepting an individual personal concept rather than God's Concept which is perfection. I know it is difficult when you wear garments of flesh and you see certain idiosyncrasies of the human nature to hold a concept of perfection for all the life with which you are surrounded when you try to do it through **will;** but if you will turn your attention to Me, to the beloved Gabriel, beloved Mother Mary, any of those Beings Who are particularly concerned with holding that Immaculate Concept in the inner realms, We will help you to see your fellowman as God intented him to be. That does such a tremendous service for the Holy Christ Self of such an one and helps to anchor more and more into the feelings, the thoughts, the etheric consciousness and the very structure of the flesh, that Divine Pattern and Plan which shall be externalized through that lifestream.
